TITLE: Act to Improve Accessibility in Buehler Hall

SPONSOR: Grant Peterson (gpeter11@vols.utk.edu)
Elizabeth Hamilton (marehami@vols.utk.edu)

DATE:

Whereas, The Hill is known for being the academic heart of the campus, with most students having to take classes located in this area at least once in their college career.

Whereas, students with certain disabilities are currently inconvenienced in situations wherein they are expected to work with chemicals on tables that may be difficult to use.

Whereas, The University of Tennessee has made and continues to make efforts to accommodate students with disabilities in order to ensure equitable access to all campus facilities.

Be it hereby resolved, the SGA Undergraduate Student Senate of 2016-2017 calls upon the University of Tennessee to offer smaller table sizes for the labs in Buehler hall for students with disabilities working with chemicals.

Be it further resolved that the University of Tennessee should look to add alternative size table to more its facilities if they prove useful in Buehler hall.
